COMPANY OVERVIEW

We, **SAKSHI COATING PVT LTD** having 15++ years of experience are one the leading manufacturers and suppliers of all types of Epoxy and PU floor coating. Apart from this, we also offer Epoxy Flooring Services, PU flooring services, Coating flooring services to the clients as per the specifications given by them. Our team of highly experienced industry professionals offers the best and timely flooring services to our clients. The services offered by us are in conformation with industry laid norms and standards.

Industrial Epoxy self-level floor and Epoxy floor coating

SAKSHI'S Superior quality epoxy self level floor and Epoxy Floor coating for concrete not only protects surfaces against damages and harsh conditions but also leaves otherwise well-trafficked facilities looking professional and appealing.

BENEFITS:

- ✓ Enhances Appearance with excellent gloss.
- ✓ Hard wearing thus providing great protection.
- ✓ Rigid enough to withstand tearing, peeling, and corrosion.
- ✓ Hygienic and Easy To Maintain.

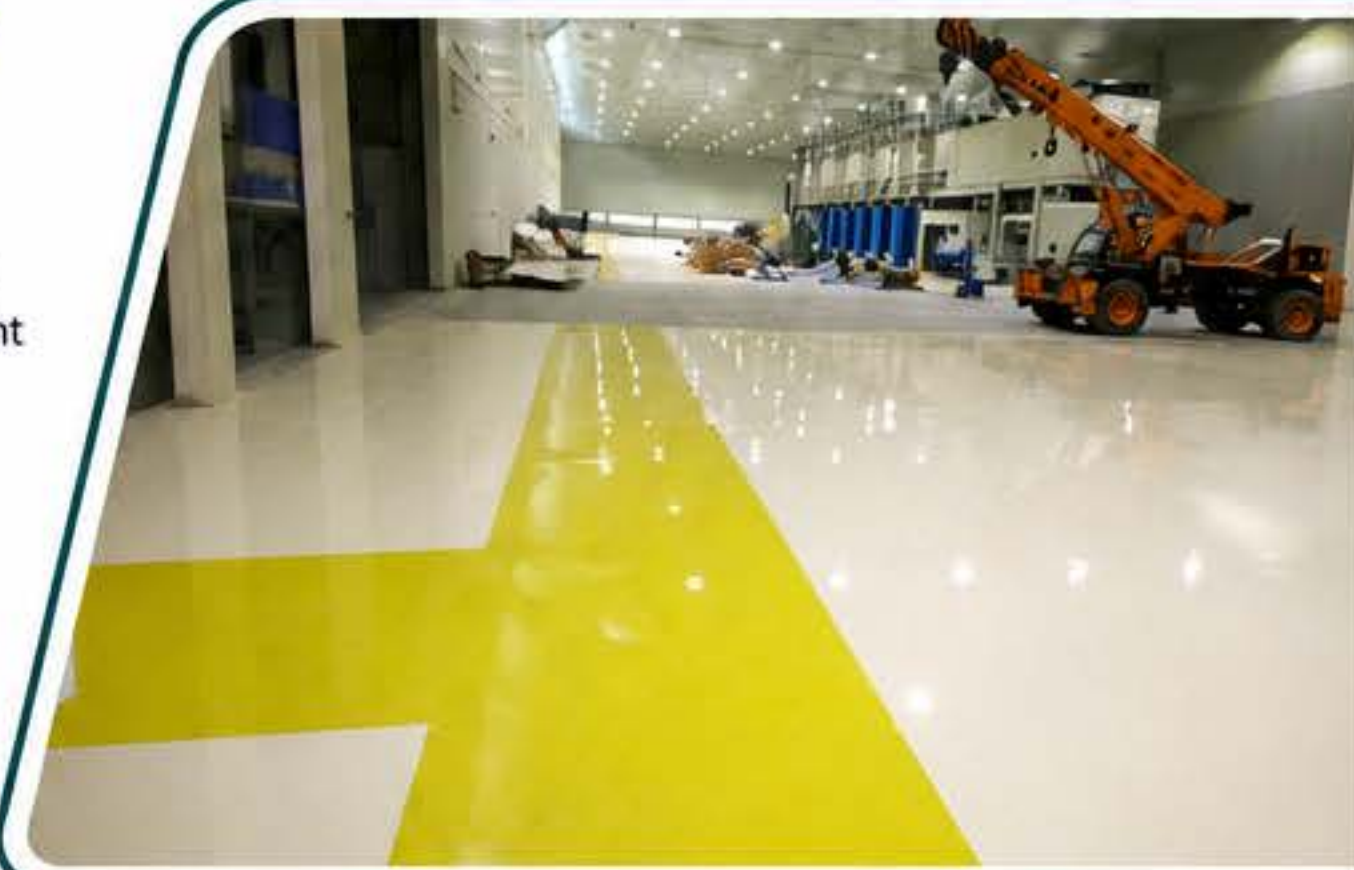

Polyurethane Coating

SAKSHI'S Polyurethane coating provides everything you need to paint and protect various types of floors. Our PU coating is excellent for both indoors and outdoors application.

BENEFITS:

- ✓ Flexible and tough.
- ✓ Good chemical and mechanical resistance.
- ✓ Fast dry.
- ✓ Glossy and matt finish.
- ✓ Easy to clean.

PU self-level flooring

SAKSHI'S PU self level flooring provides a smooth matt surface finish. It has high impact resistance and withstands abrasive wear and a wide spectrum of chemicals which makes them a great choice for Food and beverages industry, warehouse, heavy traffic areas, pharmaceutical industry and engineering industry. Our PU self-level flooring system is applied with Average thickness of 3mm to 4mm.

BENEFITS:

- ✓ Very good self leveling properties.
- ✓ Unique abrasion resistance capacity.
- ✓ Excellent compressive strength.
- ✓ Excellent adhesion.

WALL COATING & COVING

The wall coating and coving services offered by us are one of the best services for Exterior walls and residential premises, Pharmaceutical industry, Hospitals and laboratories, kitchens and bathrooms.

BENEFITS:

- ✓ Moisture-resistant surfaces against water, cleaners, disinfectants, and more.
- ✓ Incredible durability against abrasions and scratches.
- ✓ Easy-to-clean.

GROUTING

SAKSHI'S grouting product is ideal for indoor or outdoor use such as floors in chemical industry and pharmaceutical industry, showers, bathrooms and even swimming pools.

BENEFITS:

- ✓ Exceedingly durable and chemically-resistant material.
- ✓ Discourages the growth of mould or mildew.
- ✓ Stain-resistant.
- ✓ Wide range of colors.

CAR PARK FLOORING

Our Epoxy /PU Car Parking flooring service provide aesthetically good seamless anti-skid flooring at the car park area.

BENEFITS:

- ✓ Extreme durability
- ✓ Anti-skid
- ✓ Long-lasting

PHENOLIC NOVOLAC EPOXY CHEMICAL RESISTANCE FLOORING

Ideal for use as chemical Resistance Coating & Flooring, Mortar bedding for tile lining work, Chemical Resistance Tank Lining, Finish coats. Highly superior in terms of chemical resistance properties when compared to normal epoxy or PU floors.

BENEFITS:

- ✓ Excellent resistance to strong acids, alkalis, and most industrial chemicals and solvents.
- ✓ Very high chemical resistance.
- ✓ Abrasion resistant.
- ✓ Fast setting properties.
- ✓ Provides high compressive strength and hardness.
- ✓ Erosion and impact resistant.
